

Where to stay

All the accommodation featured in this publication has been assessed by Visit Wales or the AA so you can make your choice in confidence, knowing that each place to stay has been given a rating according to the quality and facilities on offer.

The **Star Quality Grading Schemes** apply to all types of accommodation: serviced – hotels, guest houses, bed and breakfast, farm accommodation, hostel/hostel type accommodation, self-catering cottages and apartments and caravan holiday home and touring/camping parks.

Accommodation operators are graded between one and five stars (with five stars being the highest) based on the overall quality of the experience and the facilities available.

Properties described as **Listed** have chosen not to be star rated. They have been checked out and provide an acceptable level of services and facilities appropriate to their type of business.

Many lower star rated establishments may still offer high quality but do not meet all of the facility and service expectations for the higher star ratings.

Occasionally, it has not been possible to visit the accommodation prior to publication - these properties are marked as **Awaiting Grading**.

Visit Wales Gold Awards are given for exceptional standards of hospitality, comfort and food in serviced accommodation.

Croeso: These places have achieved a Croeso Award in recognition of their exceptional Warm Welsh Welcome.

Walkers and Cyclists Welcome: Walkers and cyclists should look out for these signs. They are displayed by places which provide features for walkers and cyclists e.g. drying facilities for wet clothes, secure storage for bikes etc.

Accommodating visitors with disabilities: All Visit Wales graded properties have an Access Statement. This statement tells visitors in a clear, accurate and honest way how the property can meet their particular needs.

WASCO: Member of WASCO - Wales Association of Self-Catering Operators.
